

EFH 10 DC 2p LED

Specifications

ETI Code	002540213
Description	EFH 10 DC 2p LED
Class name	Fuse link base
Rated current (A)	25
To use with	CH gPV fuse-links
Size	10x38
No. Of poles	2
Product group	LV-fuse base
Utilization category	DC 20B
Connection	1 - 25mm ²
Rated DC voltage (V)	1000
Mounting	35mm DIN rail
Indicator	LED
Catalogue Group	LV-fuse disconnecter
Ambient temperature (°C)	-5 + 40°C
Standards	IEC 60947-1, IEC 60947-3, UL 4248-1, UL 4248-19
Application	Photovoltaic Installation
UL certificate	E356295

ETIM international classification

Classification	EC002705
Class name	Holder for cylindrical fuse
Application	Photovoltaic Installation
Type of fuse status indicator	LED
Rated voltage DC	1000
Rated current	25
Number of knife blade fuse holders	2
Construction size	10x38
Mounting method	Other
For fuse size	10x38 mm
Number of poles	2
