

EFH 14 DC 2p

Specifications

ETI Code	002560203
Description	EFH 14 DC 2p
Class name	Fuse link base
Rated current (A)	50
To use with	CH gPV fuse-links
Size	14x51
No. Of poles	2
Product group	LV-fuse base
Utilization category	DC 20B
Connection	1,5 - 35mm ²
Rated DC voltage (V)	1000
Mounting	35mm DIN rail
Catalogue Group	LV-fuse disconnector
Ambient temperature (°C)	-5 + 40°C
Standards	IEC 60947-1, IEC 60947-3, UL4248-1, UL4248-19
Application	Photovoltaic Installation
UL certificate	E356295

ETIM international classification

Classification	EC002705
Class name	Holder for cylindrical fuse
Rated current	50
Rated voltage DC	1000
Construction size	14x51
Application	Photovoltaic Installation
Number of knife blade fuse holders	2
Mounting method	Other
For fuse size	14x51 mm
Number of poles	2

Dimension drawing

Type	Dimensions [mm]
	B
1 pole	27
2 pole	54
